

A Yes, sir, and one of those poor men are gone now.

BY MR. PALZER:

Q Were you down to the fire house on Friday?

A Oh yes, I go every day. It is second nature for me to go there.

Q Now, did you go to just one, or more than one; how many were there in town, by the way?

A Well, let's see; there is one, - two, - of course I am only speaking about prior to the time I have been talking of, because they may have changed the headquarters and the thing been concentrated.

BY MR. PFEIFFER:

Q Well, Will, did you only go to one of the firehouses?

A As far as I recollect. I went to the one on Denis St. No. 3; that's the one I always went to because I used to be a member there besides.

Q That is fire house No. 3?

A Yes, sir.

Q That is the only one you used to frequent?

A Yes, unless I had any business up at any of the others; but to use a capital term that was always my headquarters. I hope I am making myself clear.

MR. STUDER: Very.

A I am very sorry I am so hazy about two or three questions.
